Student Reviews

Pallavi mam expalins very well but she needs to explain the topic little more in detail and needs to be little slow while solving problems.
Teaching is good. gives many sums for practice. notes are good.
Teacher give there best in class. solve every students problem in class. the give proper answer to all things regarding study and other skill.
Good
Very good staff for chemistry and gives proper notes for it and ample of sums too.. notes of staff that are self made are very helpful.
Pallavi mam puts alot of efforts while teaching which makes the subject easier for us. we dont have to put more efforts because of her revision in class.
Better teaching skills but content is not deliver accuratly.
She has classical skill to teach.she has some attitude toward the students but it is good.
Very good mam ...attitude is great towards students
Nerd to give proper diagrams and she is good for chemistry
Conducts seminar like part for improving our skills .
The teaching is good but sometimes i didt get what he is teaching. probably he may be fast according to me
