Student Reviews

No.
Should take the attendance after the teaching is over and not before ...but the teaching is best ...the best sir for bee
Helps us connect with subject very well, however we still are lagging the syllabus compared to divisions. the probability of completing the syllabus before the university exam is very low. sir usually
Cant hear students voice properly.takes the attendance prior to teaching which makes students a bit uncomfortable as even if a student misses the roll no. or is very soft spoken attendance is not give
Should learn from other teacher how to take attendance
Teaching is good.gives a grip over concepts and ides.learning becomes easy.
Chame is very strict, and he is so fast in teaching though we are not able to cope up with his speed, he solves every question by himself , not allowing students to try, its good that he takes many p
Excellent .
Gives us a lot of practice which makes us confident.
Extremely appreciative and highly respected
