Student Reviews

Mam teaches well but due to lag in syllabus she tries to rush and all is messed up but she is ausome and due to massbunk some students didnit like them as per me she is proper

It feels that she doesnt have enough knowledge about the subject

Explanation of many topics are not up to the mark. often mistakes are made during teaching

Should find a better way of creating interests in students

Madam make the subject boring and no one feels excited to attend the lecture because of lack of teaching quality.

Need some progress

Her notes are good.

Need to improve teaching skills
