PROF. M. U. MOKASHI Head Of Department Principal, RGIT

Student Reviews

Interesting subject but need more practical implementation and realtime use .
Excellent teaching
Teaching is wonderful and the way she handles a class is awesome
Our online classes will start from 15th july.the above feedback is based on online submission .
Even though the subject is elective sufficient amount of computers should be provided as we can have a good experience of the course. overall it was fun and an informative course
