Student Reviews

Sir just read out the ppt from his laptop and doesnt really explains the topic properly. sir also need to improve his vocabulary

To teach this subject the teacher should be good at vocabulary, non verbal communication. but the thing is that the teacher doesnt have those basic skills.

the teacher himself is not able to communi

Everything was perfect by his side. only the project report cost was too much

Helps us in buliding a good communication skills. should supports us for working with different committees.

The way of teaching should be changed

Teaching is excellent. the faculty puts in lots of efforts to make the students understand the subject well.

500 rupay barbaad kar waye

Always punctual and puts a lot of efforts to improve the skills of the students.

Would highly recommend engaging students for lectures rather than making it mandatory and rather boring . with emphasis on academics more than extracurricular activities sir defeats the purpose of bce

You should improve your way of communication. your idea of taking bce presentation is excellent. and the way you handle the bce practicals are very useful

Good teaching skills but not so great and stimulating. you are a fun faculty and have helped us throughout with our experiments and submissions and report

Satisfied

All submissions have taken place on time and overall functioning of this subject was extremely good
