Student Reviews

She has knowledge infact a lots of knowledge but she doesnt know how to teach us the subject. she uses very high level terms that are difficult to understand.

Very much bad at teaching. targets our class and personly says she will deduct marks of internal.

In this 3rd semister....the only subject which i havent understood ....is eccf...teacher was unable to make this subject interesting.....

Well i would say i learnt 35% of my syllabus. she needs a lot of work in conveying the theory.

Should work on teaching methodology

Has the depth of knowledge but cant explain the topic well . also she is very rude with students often.

Teacher needs to explain more clearly and definite

Perfect !
