PROF. R. N. SHANMUKHA Head Of Department Principal, RGIT

Student Reviews

We used to get assignments on google classroom and deadlines for the same. the subject teacher also solved our doubts online and provided relevant links to refer
Should explain the subject slowly and not run to finish the syllabus.
Very nice way of teaching
He is very cool sir who always keep helping students by solving there doubts and he never mind how many times we ask same question he explains us
