Student Reviews - Institute

Our institutes needs to be cleaned properly especially the toilets. teachers and staff needs to be more friendly and helpful. and please install ac as soon as possible....

Washroom is very dirty. lack of regular water supply.

Staff of the office are not at all polite, while teachers are extremely polite
facility provided by the institute is extremely poor!!!

Sufficienty good but infra can be improved

When we submit caste documents the sir assigned to it ,doesnt talk very nicely he acts as if the remaining fees is taken from his salary

Need new machiniries for practicals or atleast maintain properly

Suffisiently good ,but not excellant

Should provide more practical knowledge than theoretical

Please check the washroom condicion and try to maintain hygine of the college
