Student Reviews - Institute

Very good college

No proper canteen . the canteen space should be increased .

there should be ac in the basement.

the college building and interiors needs to be renovated

Toilets need to be frequently cleaned. many a times water supply is not available. handwash soap should be there. girls washroom should have dustbins in every toilet. classrooms are dirty and not cleaned. classrooms need adequate lighting and air conditioning.

Good in study. its not going on proper time lecture goes after time finish. gives proper knowledge regarding subjects.

Classroom needs more more lights and air conditioning. toilets must be clean .

Good and responsive staff except the accounts office the need to, see us as a student and make us softly understand things the things . as we are new they make us understand things nicely without being tooo harsh.

Theres no proper canteen in the college.

no campus.

accounts staff is not co-operative at all.

the building needs to be renovated.

Want big campus.

office staff are very rude when we want some info about anything.

We need some facility in college,such as washroom facility .

Poor

Need a playground,upgrade computers and some teachers nee d to be more frank

College campus is small.

rest of the things are very good.

Accounts department staff should be more patient with us.

Accounts department staff should be more patient with us.

Accounts department staff should be more patient with us.

Accounts department staff should be more patient with us.

We require a good teacher in account department.

Institute is good. but the campus of the college is very small.

Due to delay in the admission process our semester was shortened but that should not be the reason to get less days to study and less holidays .

Upgrade the lab and computers ,

Upgrade computers and labs,a.cs in every class ,bring good faculties and so on.....

Ac should be in the computer labs
