Student Reviews

Teacher doesnt concentrates on weaker students and does not tell any easy way to solve any some
He teaches well.....but he is not audible for the students sitting at the last benches.
Always before time
Always before time
Always before time
Always before time
Always before time
Always before time
Always before time
Always before time
Could not understand his accent properly.
Q & n section should be there, the section of lecture should be interactive
He is of good in teaching and knows what he is talking it might get tiresome as he speaks continuously but its proper knowledge
Awesome
No q&a or douts are asked by us because sir continously teaches us
Very fast in class like a train
Good teaching skills
Theres is conitinues teaching without any stop so we cant able to undertand what is he is teaching
Inadequate methods used for teaching , no connection of understanding between teacher and student , proper guidance is not given by the teacher
He is the best teacher
Very awesome sir

.
