Student Reviews

Great teacher
We didnt have any online lectures for ep-2, but the subject teacher used to send lesson-wise study materials online and was available to solve our doubts
Ysp sir is always helpful and cooperative in solving doubts both syllabus and out of syllabus.sir explains so that each and every student grasps at least 70% of whats taught
Should try to clear the concepts.
Sir used to confuse us by saying yeh bhi nhi vo bhi nhi and whenever when someone gives answer of the question asked by him he says acha so we never got that we are right or wrong for sometime
