DR. K. G. CHAUDHARI Head Of Department Principal, RGIT

Student Reviews

He should explain more clearly.
Teacher most of the time rarely ever does a proper understandable explanation while teaching theory but he teaches sums properly and nicely
Keeps explaining nonstop without any pause.
Yo,yo very nice...should decease the speed of study..
Should bring exciting methods while teaching n make topic understand well
Should teach more interestingly
Never interacts with students and thus make the lecture boring .
Need to be interactive with students
