11	12	5	0	0	0	17	94.12%
12	4	6	7	0	0	17	76.47%

Overall Average :82.55%

PROF. P. A. ROKDE

Head Of Department

Principal, RGIT

Student Reviews

Interesting subject but need more practical implementation and realtime use .

Good teaching

Our online classes will start from 15th july.the above feedback is based on online submission .

Programs should be taught on board or ppt as many students found it difficult to understand. overall the course was enjoyable and informative.
