12	3	7	6	0	0	16	76.25%

Overall Average :83.44%

PROF. P. N. SONAR

Head Of Department

Principal, RGIT

Student Reviews

Love the teaching technique and method

Teaching is soo well that you dont even need to give much time at home for this subject while studying

Our online classes will start from 15th july.the above feedback is based on online submission .

Understand the subject as teacher teaches quite well

The overall course was very informative and fun learning process as we learnt different techniques of image processing of which we were able to implement in our project.
