#### **Student Reviews**

Priyanka mam needs to be little more patient and needs to go little slow while solving numericals whether the numerical is easy or hard .

Too fast. needs to take into consideration that sums take time to solve and cannot be rushed as students might end up not understanding the question.

Best teaching in mechanics. give all possible ways to solve and understand problem.

Solves a lot of of problems in class and clears our doubts

Good staff.

One of the most understanding tr in rgit.

she knows students mentality, and really thinks for her students.

Best teaching skills.

make the atmos cool

help everyone when they are in need

She has attitude to communicate to students; she is very helpfull in her syllabus.

Having a great mam ..respect is on high level

She has ego

Solves n number of problems in class.

very helpful.

gives 100% in class.

She is good but little fast. she gave us time for solving the problems but very limited time.

She boasts about working for certain number of hours and does not usually solve problems giving the reason she is tired.
