Student Reviews

Language is one of the major problems, if sir explains in hindi we students have no problem it that. real time application of the concepts are never discussed which makes this interesting subject bori Language problem, not able to communicate with the student, not able to express himself, teacher has the knowledge but unable to explain it to the student, english language is not compulsory for teachi

Could be the best if he teaches in hindi.

Dont have proper teaching skills and communication. cant deliver the topic properly. difficulty in understanding the subjects due to poor teaching. basics are not taught

Faculty is not capable of handling the class and convey the topic or the proper information to students.impatient

If language of teacher is improved ,we can understand the subject better. only if we ask questions ,we understand the concept well. if the faculty could first understand the student knowledge and teac

Hindi me baat karenge to achcha lagega

Needs to improve way of communication (teaching pattern).

Didnt understand em at allskeptical about final tests as mostly all concepts are doubtful You should improve your communication skills. and should be strict toward the students. and you should provide sums important questions during examination. because the subject you are teaching is diff

Improvement in teaching is needed ,and yes please ask sir to be friendly enough towards students. You are a good teacher but your command over the subject is not so great. even the practicals are not properly understood by us.

Teaching quality is extremely poor and should improve a lot

Explanation and notes can be made better.more ppt should be used and more sums should be given for practice with variety
